<b>Please list those attending:</b>	
<b>See list from attendees - George Wickham, Mark Stone, John Finn, Solveig Sansom</b>	
<b>1. Reason for attending the meeting</b>	
	<i>Update from John Finn on proposed changes to NHS in White Paper and what it means locally Discussion on first draft of Pharmaceutical Needs Assessment from NHS Devon General update from LPC</i>
<b>2. Outcomes of the meeting</b>	
	John Finn - shadow GP consortia by end of March 2011 - leads already in place but much unclear. PCT - PNA just published - unclear as to which Pharmacies are in which "Market town" - many in the room found inaccuracies consultation will be busy!
<b>3. Recommended Actions required of the LPC</b>	
	<i>Stock shortages still an issue - 2nd audit required Incomplete hospital prescription causing lots of extra work can LPC help LPC needs to talk to Devon Doctors re Faxed prescription as many are incomplete and hard copies late in arriving.</i>
<b>4. Any other comments, observations or points of interest</b>	
	Local pharmacists want information on the changes to the RPSGB and whether to join the RPS and if multiples will pay the fees for employees. Good turnout and lots of feedback to PCT and LPC
<b>1. Date of next meeting:</b>	<b>tba</b>
