Dear Colleague

20<sup>th</sup> January 2012

**Plymouth Healthy Living Pharmacy – Important Dates**

Hopefully you are currently working through your application for the Plymouth Healthy Living Project (HLP). If you have not received your application form and letter, which was sent out to all pharmacies in Plymouth on the 6<sup>th</sup> January, don't worry it is no too late to apply. (**deadline Sunday 29<sup>th</sup> January**) You can call the LPC on 01392 834022 or download the application form for the Healthy Living Pharmacy item on our home page.

We are writing to ask that you save some very important dates, if you are applying to become a HLP. The HLP project introduces important quality criteria for pharmacies and **two mandatory parts of becoming an HLP is the Health Promotion Champion training, and the leadership training for the pharmacy lead.** These events have been planned in late February and March so we can start awarding pharmacies the HLP status in April.

**Pharmacy Health Promotion Champions Training, (1 Day Event):**

**Tuesday 28th February, 9:30 – 16:30, Or Thursday 8th March, 9:30 – 16:30,**

Both events will be held at Mountbatten Water Activities Centre, 70 Lawrence Road, Plymouth PL9 9SJ

NB: Up to 2 per HLP pharmacy can attend.

**Pharmacy Leads, Leadership Training (2 Evenings):**

**Wednesday 7th March, 19:00-21:30 and Wednesday 28th March, 19:00-21:30**

Both events will be held at The Copthorne Hotel, Armada Way, Plymouth PL1 1AR

NB. Up to 2 per HLP pharmacy can attend

The applications you will send in over the next week will be judged by the project team and the successful pharmacies will be called to notify them during the second week in February.

Good luck with your applications, we look forward to receiving them

Yours sincerely

Sue Taylor (Mrs)
