

## Useful Resources and website for COPD

The **Primary Care Respiratory Society UK (PCRS-UK)** is an independent charity representing primary care health professionals interested in delivering the best standards of respiratory care. It is dedicated to achieving optimal respiratory care for all through:

- **Representing primary care respiratory health needs at policy level**
- **Promoting best practice in primary care respiratory health through education, training and other services**
- **Supporting the development of primary care health professionals in respiratory medicine**
- **Facilitating and leading primary care respiratory research**
