**SUPPORTING CARERS AND
PEOPLE WITH A LEARNING DISABILITY
Education Event**

*** A buffet will be served**

From Wednesday 1st February 2012 a Supporting Carers and People with a Learning Disability campaign across Peterborough will highlight key messages such as Identifying Carers and offering support; Advising People with a Learning Disability of their entitlement to a Health Check; Information on services for Carers including health and fitness programmes; Information on services for People with a Learning Disability including a Community Safety Scheme and Passports for Secondary Care.

This campaign will enable Pharmacies to engage with Carers and People with a Learning Disability offering advice and support regarding health and the services commissioned by NHS Peterborough.

Pharmacies can help by being an advisory resource for two vulnerable and socially invisible groups of people and to become a beacon of best practice for individuals with a learning disability and carers.
