

Funded QCF's in Pharmacy Services Levels 2 and 3

Have the skills, knowledge and abilities of your staff recognised against a national professional competence framework and benefit from:

- Incredibly low costs for funded QCFs (as little as £150.00 per candidate)
- Professional qualifications valued by staff and the whole pharmacy sector
- Active learning, proven to be more effective than spoon fed training
- Specialist support, coaching and mentoring from our sector professionals
- Minimal impact on time at work, for maximum return on investment

We are an award winning, accredited training company and have been providing sector specific training to our clients across the UK for over 15 years, including Level 2 and Level 3 funded Pharmacy Services Qualifications. By working with local colleges and the Skills Funding Agency we can now deliver these qualifications at incredibly low cost to you . as little as £150.00 per candidate for a Level 2.

We can also offer the [new funded Learning & Development QCF](#) as well as the latest apprenticeships, including customer services, business administration, team leading and management.

Our delivery model is a mixture of one to one mentoring, a user friendly e-learning tool and a bank of support materials. All our tutors and assessors are specially trained by us, are fully qualified and have extensive pharmacy sector experience. On average it takes a candidate about 6 to 7 months to complete the Level 2 qualification and up to 12 months for a Level 3. In keeping with the principles of active learning and depending on their skills and experience, it is expected that candidates will only need a few hours per week to work through their qualifications.
